

**Darms Lane
2007 Cabernet Sauvignon
Linda's Hillside Vineyard**

To Benefit the:

Ovarian Cancer Research Fund

Technical Notes:

Blend: 88% Cabernet Sauvignon,
4% Cabernet Franc
9% Petit Verdot

Appellation: Oak Knoll, Napa Valley

Aging: 20 Months - French Oak with small
percentages of American Oak

Production: 150 Cases

Notes:

Linda Bump was co-owner and active in the management of Darms Lane Vineyard until her death in 2007 from ovarian cancer. 2007 marks the inaugural release of this wine made from the prime hillside vineyard on the Darms Lane estate named in her honor. We will donate \$25 from each bottle sold to the Ovarian Cancer Research fund to aid in the search for methods of early detection and an eventual cure for ovarian cancer. To find out more about OCRF go to www.ocrf.org.

Wine Description:

The 2007 Linda's Hillside Cabernet exhibits a core of dense black cherry and delicate plum with hints of vanilla, cassis and cinnamon. The palate starts with concentrated smooth fruit forward entry and a softer acid profile that leads to rich and smooth tannins as it finishes with a touch of mocha. This wine has the flavors and suppleness to be enjoyed on its own while maintaining an elegance that will complement many foods.

Suggested Retail Price: \$75
